

WE DID IT ONLINE

In 2020, life changed for everyone in a big way. Repeated lockdowns and restrictions meant we couldn't meet in person, so we found new ways to learn, create, share, and have fun — all from behind a screen.

From virtual camps and online meetings to Zoom games, cooking classes, and celebrations, we proved that nothing could stop us from connecting and achieving our goals.

WE DID IT ONLINE — and in many scenarios, we continue to do it online today.
