

WE DID IT ONLINE

Throughout 2020 and 2021, we have all needed to adjust in some way to the changes that have resulted from the Covid-19 pandemic.

One significant impact has been lockdowns and restrictions that have limited face-to-face interaction. In many different scenarios we have needed to adapt and complete the tasks online. WE DID IT ONLINE. And we are likely to be doing it online in the future.

Complete an activity online and EARN A BADGE
